Celebrating 10 Years of BLOOM

Dear Friends of BLOOM,

Ten years ago, we planted the seeds of BLOOM with a simple but powerful belief: **every child deserves the opportunity to laugh, learn, hope, heal, and reach their full potential.**

What began with a rooftop play garden at an orphanage in Morocco has blossomed into a global community of compassion, reaching vulnerable children and families across borders and circumstances.

Along the way, we have learned that meaningful change begins with listening, grows through trust, and flourishes through human connection. Our commitment to nurturing both physical and emotional well-being has remained at the heart of everything we do.

As we celebrate this milestone, our hearts are filled with gratitude. To our volunteers, partners, donors, and friends: you have transformed a deeply personal vision into a shared movement of love and service.

And to the communities who have welcomed us into their lives: your resilience, generosity, and trust continue to inspire us.

As we look toward the next decade, we remain committed to community-led, trauma-informed care that restores dignity, protects childhood, and nurtures hope.

Thank you for planting these seeds of love alongside us and helping hope BLOOM.

With love and gratitude,
